

Dear Members,

Your Club Cascadas Board of Directors has recently approved the enhancement plan for 2017 as part of their commitment to upgrading all villas. Some of the work on building 9 and on the third floor of the Palmas building will take longer than our regular two weeks of maintenance this summer. From week 18 – week 43, there will be moderate to heavy construction on site. As always, our dedicated on-site team will work hard to minimize the noise and disturbance, but as a courtesy we wanted to let you know in advance you will see work going on during your regular week.

If you would like to deposit your week and trade to a different week at Club Cascadas, please contact Owner Services at Trading Places International at 1-800-365-7601 Ext. 1. If you would like to have your week used by another member and have your 2017 dues reimbursed, please contact Barbara in the on-site sales office at 1-888-846-5571 or barbara@cascadaslegacy.com and she will do her best.

Or, if you would like to exchange your week at Club Cascadas for a beautiful luxury two bedroom villa at sister resort Club Ocho Cascadas in Puerto Vallarta, the Giddings family is making available the use of any of the unsold villas from May to October. Contact Dave Stoenner at the Giddings office at 949-640-8740 Ext. 103 or dave@cascadaslegacy.com

If you own a 2nd floor Las Palmas, we would recommend that you trade to a different one bedroom Villa. If you own an Estrella during weeks 29 – 44, you may want to consider exchanging into Ocho Cascadas as an alternative.

Regards,

On behalf of your Board of Directors and the Giddings Family,
We hope to see you this summer in your regular week.
